Dear LADA Family & Friends,

Thank you for being with us today as we support this incredible physical & emotional outlet our students share.

As we raise good humans through dance, we are humbled to be a staunch foundation upon which they can find consistency, support, & love throughout these ever-changing times.

The positive life lessons & memories created through LADA will stay with these students forever, whether they are our tiniest dancers or our graduating seniors.

Thank you for entrusting us with the education of your children.

The LADA Dance Team is an invite-only competitive dance team comprised of students age 5 and above. All LADA DT members take Ballet, Tap, Acro, and Jazz/Lyrical weekly. These dancers act as high-quality ambassadors of LADA at various community events, competitions, and conventions throughout the United States. In addition to physical conditioning and technical dance education, these dancers receive impactful social, emotional, & intellectual training with lifelong benefits.
