Dear LADA Family & Friends,

Thank you for being with us today as we support this incredible physical & emotional outlet your children share.

As we raise good humans through dance, we are humbled to be an unwavering foundation upon which they can find stability, support, & love throughout their lives.

The positive life lessons & memories created through LADA will stay with these students forever, from our tiniest dancers to our graduating seniors and beyond.

Thank you for entrusting us with the education of your children.

The LADA Dance Team is an invite-only competitive dance team comprised of students age 5 and above. All LADA DT members take Ballet, Tap, Acro, and Jazz/Lyrical weekly. These dancers act as high-quality ambassadors of LADA at various community events, competitions, and conventions throughout the United States.

In addition to physical conditioning and technical dance education, these dancers receive impactful social, emotional, & intellectual training with lifelong benefits.
